## Nests per Year

## HISTORY

the  
of Maggie

Turtle #11

at Sandy Point since 2011!

Maggie nested five times this year at Sandy Point!  
She was Turtle #11 of 24 for the 2019 season!

Size:

154.2 cm

5 Nests

## About Maggie

Maggie is a very consistent nester at Sandy Point. She's a turtle of average size. Her favorite beaches were the North and West Beaches! We had to relocate 3 of her nests because they were in danger of washing out during storms. All her nests hatched well.

Average # Eggs

79

in her clutches!

Adopted by Annabelle Orme for Tim Degraff!

Thank you!

The St. Croix Leatherback Project is partially supported by the Sea Turtle Census, a project of The Ocean Foundation, a 501(c)(3) organization, in cooperation with the USFWS.
