FIRST NEST

28 April

@8:25 pm

Nests per Year

the HISTORY of Katrina

Turtle #17

at Sandy Point since 2007!

Katrina nested once this year at Sandy Point!
She was Turtle #17 of 24 for the 2019 season!

About Katrina

Katrina was a very early nester - at 8:25 pm, as well as being our smallest turtle this year. She has not been seen since 2007, which is a very long time to be missing from the nesting beach. It is likely that she has nested somewhere else over the years. Wonder where she has been?

Adopted by Andy Simler for granddaughter Katrina!

Thank you!

The St. Croix Leatherback Project is partially supported by the 'Sea Turtle Census', a project of The Ocean Foundation, a 501(c)(3) organization, in cooperation with the USFWS. SeaTurtleCensus.com
