## About Nelson

Nelson and her nest were adopted by Genevieve Itamunoala in honor of all of her grandchildren! Nelson has only ever been seen at Sandy Point twice, and we think she is also nesting on another St. Croix beach, going undetected. It's good to see her every few years so we can protect her nests!

Average # Eggs

70

in her clutches!

Adopted by Genevieve Itamunoala for her grandchildren!

Thank you!

The St. Croix Leatherback Project is partially supported by the 'Sea Turtle Census', a project of The Ocean Foundation, a 501(c)(3) organization, in cooperation with the USFWS.
