About Gwen

We were happy to see Gwen return back this season to Sandy Point. She was encountered nesting on 20 August on the North Beach very early in the night. Her shell had lots of barnacles and even some algae! We hope Gwen will return once again to Sandy Point in a few years!

Average # Eggs

124

Adopted and named by Sharon Grimes in honor of our friend Gwen Skeoch!

Thank you!

The St. Croix Sea Turtle Project is sponsored by The Ocean Foundation, a 501(c)(3) organization, in cooperation with the USFWS at Sandy Point National Wildlife Refuge. STXTurtles.com
