## About Sammy

We are so happy to see Sammy back to Sandy Point! She nested on 27 August, 10 September, and 22 October on both the North Beach! She is a quick and undeterred nesting female. She has lots of big barnacles on her shell. We were so glad to see her back three times. We hope Sammy keeps returning back to nest!

Average # Eggs

124

Adopted by Patsy Davis for her daughter Harriet Kendall!

Thank you!

The St. Croix Sea Turtle Project is sponsored by The Ocean Foundation, a 501(c)(3) organization, in cooperation with the USFWS at Sandy Point National Wildlife Refuge. STXTurtles.com
